Schwartz & Daniels,  
145 West 45th Street,  
New York.

Gentlemen:-

Your estimate on the cabinet and the swing cases at hand. As the two jobs may come along at different times, I wish you would let me know your estimate for the cabinet and the trays separate from the four sets of swing cases. When you give me the estimates for these sets of swings cases, let me know what eight sets would cost.

Very truly yours,

Curator.
